

As a non-profit organization with no paid staff, we rely strictly on donations to continue to save animal lives and place them in forever loving homes. Every little bit you can do to help is greatly appreciated. While we accept monetary donations, there are always other items that will greatly help our cause.

Once our new rescue facility is open to the public, donations can be dropped off directly at the facility located at 2846 Finch Road, Modesto, CA 95354. Until then, to schedule pick-up/delivery of any items, please call 209-613-0958 or e-mail info@wawr.org.
